

Community Donation Grant Application

Seniors, we have had a very generous donor give money to support students with a financial need for college/trade school. There will be up to five \$1,000 grants awarded, and students will be notified over the summer if they're being awarded. If you are awarded, a check will be sent directly to your college/trade school and will include your name and college ID number. It is open to ALL seniors who need financial support to help pay for college. To be considered, please complete this application and submit it to Mrs. Czymbor by Friday, May 16, 2025.

Name

Phone # to be reached at this summer

College/Trade School Plans

**please name specific school*

**please indicate if you are living on campus or commuting*

**please include your planned college major or note that you're undecided*

College ID #

What is your out of pocket cost for your first year of college?

**Out of pocket cost is the amount you have to pay after scholarships, grants, college savings plans, etc. are subtracted from the total cost.*

****Please share any unusual circumstances or financial hardships you are experiencing that may impact your ability to pay for college. This could include, but is not limited to, challenges such as unexpected medical expenses, family responsibilities, loss of income, or other personal or financial difficulties. We understand that every student's situation is unique, and providing this information helps us better understand your needs as we review your application. Your response is optional but encouraged, and all information will be kept confidential.***
