<u>Scholarship Background</u>:

The TPAJ Pay It Forward Foundation was created by a New Lothrop High School graduate who figured out a way to go to college despite her family's inability to afford it back in the 1980's. She is now a successful corporate leader and is grateful for the teachers and counselor who encouraged and helped her find a way to fund her post-secondary education. She and her husband formed the TPAJ Pay It Forward Foundation to help others on their path to success.
