

## New Lothrop Athletic Department

We are very excited to announce that the New Lothrop Athletic Department will now be using FinalForms, an online forms and data management service.

Here are some benefits of this tool:

- Complete and sign athletic participation forms and upload any athletic-related documents for your students in one location at any time
- One-time entry for your student that will remain with them for their entire time at New Lothrop
- Real-time communication directly from the Athletic Office
- Review your data at any time to verify it is current

**ALL parents of 6th -12th grade students AND students planning to participate on any athletic team for the 2023-2024 school year must use FinalForms; it is encouraged to start the registration process right away.**

- Once a parent registers their student, the student will receive a confirmation email to the email address provided which will lead them to register themselves.

Please register at: <https://newlothrop-mi.finalforms.com/>

Follow the prompts to create your account, create your students, and sign your forms. The link will also be posted on the school website for easy access.

For help in getting started with FinalForms, click on the Parent Playbook link at the bottom of this announcement.

Thank you for your assistance in streamlining our paperwork processes at New Lothrop Area Public Schools.

Marty Weese  
Athletic Director
